

P. N. Corsets Improve the Figure!

SOME OF THEIR GOOD FEATURES.

The extra side-pieces makes the breaking down of the Corsets impossible. These side-pieces can be removed from the pockets wherein they are set and reversed from time to time, insuring permanent shape lines to the Corset and adding to its ease of service.

If a lady wishes ease in reclining the side-pieces may be removed and replaced at her pleasure.

The cork steel protector used in all P. N. Corsets will keep the front steel from breaking and rusting.

We recommend that you try P. N. Corsets. Prices 50c, \$1.00, \$1.25 and \$1.50.

From and open stock pattern you can now build up a set from a small initial purchase, or you can buy a complete set and we can replace any breakage instantly, because we carry the patterns in bulk.

A new STOCK PATTERN in GERMAN CHINA is recently added. See our window.

There is a vast difference between wishing and winning. Many a good man has failed because he had his wishbone where his backbone ought to have been. He will be a winner who buys a home through the D. A. Perry Real Estate agency. Call at our office and look over our list and after investigating you do not care to buy we won't urge you.

Miss Allie Clark fell, striking on her back, while roller-skating in the pavilion last evening and was rendered unconscious for half an hour. Dr. F. C. Ligouri was at once called and revived her and she was taken to her home on Bolster avenue. No bad effects resulted as she was able to go to her work as bookkeeper in Heath's paper store this morning.

"I wonder if Mr. Bob and Miss Lucy are really in love. It is hard to determine whether they are or not. Sometimes you think they are and again you are sure they are not. But when you handed him that little bunch of violets that was enough for you know true love never runs smooth." Let's all go Thursday and Friday night to the Universalist church for there it will be settled.

At the annual meeting of the Barre Typographical Union, No. 402, last evening, the following officers were elected: President, O. C. Wiley; vice president, C. C. Ramsdell; financial and corresponding secretary, Philip L. Ellis; recording secretary, L. G. Collins; treasurer, L. L. Robbins; board of auditors, C. C. Ramsdell, L. L. Robbins and George E. Maker; delegates to Central Labor Union, C. C. Ramsdell, L. L. Robbins and Fitch Wiley.

The gentlemen of the Universalist church netted the snug little sum of \$70 from their supper and the amount was turned over to the Ladies' Union, and was gratefully received. The ladies not only feel grateful for the receipts, but think they are honored by having such men in the parish and are willing to acknowledge their supper was well ahead of any the ladies have served. We want to thank them in a way to reach every one. Just one thing more we ask, and that is, to remember "Mrs. Wiggs of the Cabbage Patch," the 15 and 16 of February.

The following will be of interest to Barre people: The Lancaster, N. H., Gazette, of February 7 says: "Three commercial travelers registered at the Lancaster house a few days ago who have been coming to Lancaster for over forty years. One of them O. M. Fisher, of Montpelier, Vt., who made his first visit in 1862, over 43 years ago. He sold his first bill of goods to Frank Smith, who was then under in Col. H. O. Kent's regiment (the 17th) in camp at Concord. Mr. Fisher sells goods for the same concern that he did at that time. The firm was then known as Banfield, Forestall & Company, but is now Jacob Whitcomb & Company. Mr. Fisher is the only person that was with the firm at that time who is now alive." Mr. Fisher, formerly of Barre, was the oldest and Mrs. A. G. Land Point the youngest of six children of the late Catherine Parker Fisher of Barre.

BERLIN.

The schools all closed Friday. The school at the corner was broken up some with the measles.

Mrs. Amanda Perrin has not been quite as well in the past week. Dr. Chandler was called in counsel Friday and at this writing she is more comfortable.

The snow came to the depth of 28 inches Friday making it hard for those attending school out of town to return.

We are glad to hear that our old neighbors, Messrs Williams and Perrin, are both on the gain.

Mrs. Arthur Crandall and Master Alfred are visiting her father, Deacon Perrin, making the long winter seem shorter by their visit.

Messrs. Nye and Slocum have their farms for sale.

The East Road school closed the ninth. Miss Ida Short, the teacher, had appropriate exercises. Those that send children to her can truly say she did a great and noble work here, and all hope to see her back in the spring.

The entertainment of Wednesday evening was well appreciated by those who could attend but the cold weather kept many from attending.

The scholars of the East Road school wish to thank their teacher and friends for helping to get the school a fine flag.

Coughs Easily Cured

Coughs are a result, not a disease. They are the result of inflammation, caused by a cold, invading the delicate capillary air tubes in the lungs. All the narcotics in the world will not change the condition. They simply deaden the senses and afford temporary relief from the cough while the real trouble—the inflammation—may go deeper and deeper and become more dangerous.

Kendrick's Northern Pine Cough Balsam

allays this inflammation and quickly corrects the condition in the lungs and bronchial tubes that causes the cough. Don't waste your time with narcotic cough mixtures; take the remedy that acts directly on the seat of trouble. We warrant it. Price 25c.

Do You

Recognize the phrase "Just as good as DUTCH-ESS TROUSERS?" and do you

Know Why

DUTCH-ESS TROUSERS are used as the standard of comparison? There are many reasons. One is that they are the most carefully manufactured Trousers in the market. Another reason is the warranty: "Ten cents a button, \$1.00 a rip." Ask to see them.

Green Mountain Brand Hams!

When you buy a packing house ham you do not know anything about the condition of the animal from which the ham was taken. When you buy a Green Mountain Brand Ham you know that it came from a nice corn fed Vermont pig. We know just where all our pigs were raised and can vouch for the fact that they were not carried miles in a train loaded with animals. We cure all the Hams which we sell and our customers can tell you that they are cured to perfection.
